Re: Driscoll et al v. City of New York et al  
Civil Action No. 07-cv-10359-GBD

Dear Judge Daniels:

Pursuant to my discussion with Elizabeth Vega I am writing to you to advise you that this firm has been retained to represent the Captain's Endowment Association (CEA) and plaintiff in the above captioned matter. We understand from prior counsel, Harry Greenberg, that the current case management schedule requires that the plaintiff file opposition papers, to the defendant's motion to dismiss, by January 11, 2008.

Because we have not yet had the opportunity to review the file, the defendant, through senior counsel Alan Maer Schlesinger, has graciously suggested and agreed to the extension of the currently scheduled filing dates by one month. Accordingly, we are requesting your approval to file opposition papers on or before

**SEELIG & UNGARO, LLP**

February 11, 2008, and that all similar dates in the current schedule also be extended one month.

We expect to be filing a formal Notice of Appearance and/or substitution motion, via ECF, when we receive all required executions. Kindly have your staff advise me if such proposed extensions of time do not meet with your approval, or if you require any further information.

Respectfully submitted,

Seelig & Ungaro
